1 FRONT PAGE

1.1 ACCEPTATION OF COOKIES AND THE FRONT PAGE

The webpage address is <http://www.vocal-medical.eu>. When you enter the website, you will see information about the privacy policy and cookies. To use the website you must agree to the use of cookies, otherwise you will be redirected to Google homepage.

On the front page you can select your language and log in to the application. If you do not have an account, you may create an account by clicking on the button 'Don't have an account?'. If you have an existing account but have forgotten your password you can reset your password by clicking the button 'Forgot your password?'.

The screenshot displays the front page interface. At the top, there is a white cookie consent banner with the text "Privacy policy" and an "Edit language" button. Below this, a message states "By using our services, you agree to our use of cookies." with "Accept" and "Discard" buttons. Underneath is a grey box titled "Why I must login or register?". The main login section is titled "Please log in" and includes an "Edit language" button, an "E-mail" input field, a "Password" input field, and a "Remember me" checkbox. Below the login fields are three buttons: a green "Log in" button, a red "Forgot your password?" button, and a blue "Don't Have an Account?" button. At the bottom, there are two small buttons: "About project and partners" and "Vocal Medical Mobile".

Why I must login or register?

Assuming an account on the portal Medical Vocal you access training platform that allows to overcome language and cultural barriers in the medical sector. Registering on the website you get access the mobile version of the application.

1.2 REGISTRATION

If you are interested in using our service, you must create account. You can do so by clicking the 'Don't have an Account?' selection on the page. You will then be presented with a form which you need to fill in in order to create and account. You will need to enter some information such as your e-mail, a password and a retype password. Things like your job position, name and surname are optional to enter.

After completing the mandatory boxes, you should click the button: 'Register'. Once you have done that, your account will be created, you should see some information about the validation and activation of your account. An e-mail will be sent out to the provided e-mail address with login and password details.

If you have an account on the mobile service, you do not need to register again. You may use one account on two services.

The image shows a registration form titled "Create your account" with a language selection dropdown in the top right corner. The form contains five input fields: "First Name", "Last Name", "E-mail *", "Password *", and "Re-type Password *". The asterisk indicates that the last three fields are mandatory. Below the input fields are two buttons: a blue "Create" button and an orange "Discard" button. At the bottom left of the form, there is a small note: "Fields with * are mandatory!".

1.3 SIGNING IN

Once you have an account you may log in to use our services. In order to log in you need to provide your need your e-mail address and the password which you used to register. Once you have entered the correct information, click on the “Log in” button and you will be taken to the main user page.
